## ON-TIME DELIVERY

We'll deliver in full, on-time and to specification or we'll credit you 5% of the order confirmation value. Give us 2 days' lead time without making a change and we'll double it to 10%.

1. If you've placed an order for \$500 or more and we fail to deliver in-full and to specification on the delivery date, or your order confirmation includes a site time charge and we arrive more than 30 minutes late, then let us know within 2 days of delivery that you'd like to claim.
2. Should we agree that we failed to deliver on-time, in full and to specification we'll credit you 5% of the order confirmation value. If you placed your order at least 2 days prior to delivery and didn't make any changes we'll credit you 10% of the order confirmation value.
3. Any rebates or other discounts will be deducted from your order confirmation value before calculating the credit. A limit of one credit per order confirmation applies, which will be added to your account within 5 days.

2. Should we fail to provide the order confirmation on the same day, or the following day if it contains structural products (purlins, bridging or flooring), or the order confirmation contains an error, then let us know before your order is manufactured that you'd like to claim.
