

Stramit®

Product Performance Warranty

Product Performance Warranty

Stramit Building Products manufactures steel building products from high quality materials to ensure reliability and long life. For your peace of mind, you have the double assurance of Stramit® product warranties, backed by the steel manufacturer's guarantee on the raw materials.

Stramit Building Products warrants that products manufactured and supplied:

- Will perform as detailed in relevant Stramit® product literature.
- Are "fit for purpose" if installed and maintained according to the specifications as published in Stramit® product literature.
- Will comply with relevant Australian Standards as published in Stramit® product literature current at the time of installation.
- Are manufactured from high quality steel with high-tech pre-painted and zinc or zinc-alloy coatings.

Technical literature, installation and maintenance details are available at www.stramit.com.au

© Trade mark of Stramit Corporation Pty Limited ABN 57 005 010 195
Trading as Stramit Building Products. A member of the Fletcher Building Group.
COLORBOND® ZINCALUME® and GALVSPAN® are registered trade marks of BlueScope Steel Limited.
Stramit Corporation Pty Limited, November 2013

Warranty Conditions

The Stramit Building Products Performance Warranty only applies when:

1. The products are installed in accordance with published Stramit Building Products literature current at the time of installation.
2. All fasteners and fixings meet Australian Standards and are selected and fixed in accordance with Stramit Building Products recommendations.
3. The product is a genuine Stramit® product.

The Stramit Building Products Product Performance Warranty does not apply when:

1. Product failure is caused by neglect, mistreatment or inadequate maintenance.
2. Damage to product occurs during incorrect storage, handling and installation, or after installation.
3. The product fails because of structural defects of the building, including ground movement.
4. The installation has not been carried out in accordance with all the requirements of material durability warranties for that application, including but not limited to COLORBOND®, ZINCALUME® and GALVSPAN® coated steels.
5. Damage or failure is due to any cause outside the control of Stramit Building Products.

This Stramit® Product Performance Warranty does not cover any Stramit® product for corrosion-to-perforation caused by weathering or paint flaking; nor does it cover the product for damage caused by interaction with dissimilar metals by direct contact or by water runoff. To obtain a warranty covering corrosion-to-perforation, contact Stramit Building Products for the material manufacturer's details.
