

# Stramit® Colour Range

## Premium finishes

### COLORBOND® Ultra Steel

### COLORBOND® Stainless Steel

### COLORBOND® Metallic Steel

Many colours and finishes are kept in stock for fast manufacture and delivery. However, some colours and finishes require longer lead times and, in some cases, minimum order quantities. Check with your Stramit Building Products representative before ordering.

Note that not all products are available in all finishes.

The COLORBOND® pre-painted steel colours shown in this brochure have been reproduced to represent actual product colours as accurately as possible. However we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process affect colour tones.
